

AKASH DHIMAN

FULL-STACK DEVELOPER

Mohali, India | +91 7973370936 | dhimanakash407@gmail.com | [linkedin.com/in/akash-dhiman](https://www.linkedin.com/in/akash-dhiman)

PROFILE

Full-Stack Developer with 3 years of hands-on freelance experience designing and building responsive, production-ready web applications using React.js, Next.js, JavaScript, Node.js, and PHP/MySQL. Delivered complete projects end-to-end — from UI to database to deployment — including a full e-commerce platform with cart and checkout. Comfortable working independently across the full stack, with additional experience in Python scripting and n8n workflow automation.

SKILLS

Front-End: React.js, Next.js, JavaScript, HTML5, CSS3, Tailwind CSS

Back-End & Data: Node.js, Python, PHP, MongoDB, MySQL

Tools & Other: Git, GitHub, n8n (workflow automation)

EXPERIENCE

Desktop Support Engineer Intern — Virtual Admins

Feb 25, 2025 – Aug 3, 2025

- Provided on-site desktop support and troubleshooting for hardware, software, and connectivity issues at the office.
- Assisted with system setup, configuration, and maintenance to ensure smooth day-to-day operations for end users.
- Diagnosed and resolved technical issues in a timely manner, escalating complex cases as needed.

PROJECTS

Clothing E-Commerce Website

PHP | MySQL

- Built a full e-commerce platform from scratch, including product catalog, shopping cart, checkout flow, and payment handling.
- Designed and implemented the MySQL database schema for products, orders, and customer data.
- Handled the complete server-side logic in PHP, connecting front-end views to backend order processing.

Real Estate Listing Website

React.js | Tailwind CSS | GitHub Pages

- Built a fully responsive real estate listing website using React.js and Tailwind CSS.
- Optimized component structure to improve page load speed and mobile responsiveness.
- Deployed and version-controlled the application using Git/GitHub, hosted on GitHub Pages.

Travel Management Website

HTML5 | CSS3 | JavaScript | PHP

- Developed a responsive travel management website using HTML, CSS, and JavaScript.
- Integrated a PHP-based contact form to capture and handle user inquiries.
- Ensured consistent layout and styling across desktop and mobile devices.

EDUCATION

Master of Computer Applications (MCA) — Chandigarh University (2025 – In Progress)

Bachelor of Computer Applications (BCA) — Panjab University, Chandigarh (Completed 2024)

Higher Secondary Education — D.A.V Senior Secondary School (Completed)
